1. This is Theodore Cottingham January 11, 2009 10:42 AM at the house, speaking to you with a cup of coffee in my hand and fullness in my heart that comes forth in new ways.

2. I am giving you a new day in me – A NEW COMPLETE "REVOLUTION" and resolution not, but the Grand View Hotel going to, the Grand View having of me now, that in, panoramic setting, not; or simply, not; but the Grand Completion – of Me School (1) comes forth now that I give you me's and me's becoming me's at Me's School which My School is which I school where reality exists and how distorted it's become.

3. And I love you all to know me, know this and not be beguiled by the notme-ologies of the past and that stink -erage that exists throughout the nations nations called Israel-worshiping and the flesh man Jesus and honoring the flesh more than me, taking their place at my table and decapitating my headship in those they lead to their graves.

4. Their graves never being the same again, I stand now and I lead out. I lead in -- to the real, for I've become it and I'm not separate apart from it, and though I may be pouring coffee and walking around my house, as it were, or where I have lived for a while, I come unto thee, not as a complete man but a complete God that completed God has -- his training in me, to be me who I am! And I am not you a man like you a woman like you who think you are only man woman and thought of flesh for I have beguiled not my self any longer in the guises of guile-hood and guile-izes that ize my eyes with that which only I can see in my thinking mechanism's thought devices that were given me by who where?

5. And how all these things came to pass, shall we now discuss? Or shall that have already been discussed FULLY in the words of the LESSONS (2) that I have given thee over these six years? And coming unto me what now will you do with them? Ignore them to your own peril and perishing and grave digging your own grave with your own words and thoughts of another that another gave you to "inherit them" their flesh with and flesh begetting flesh only, or at least thinking it so?

6. I beget no guile in me, for I am a man of no guile, and no disguises needed necessary or confusing with you who are flesh, or not flesh being anymore, or do you know the difference or can you tell, can you discern, anything? About these words, or horror-land

that you live in -- without love -- without loving each other -- without loving me my words and coming into them – having come into them that reside in you, that carry you not or do you carry them? Or do you carry each other? Or not? Or who are you resident in? And what is that flesh bag you are carrying around that vanisheth and vaporeth and vapor is? Is it not your being bagged around and carrying you where what and why? And why are you limited to it? when you are God? Is that clear?

7. Is that clear? I clarify a great many things -- have -- in these words I have clarified a great MANY things of a Great Deal that I have given you -- in captivity for you to come out, to lead out, for you MUST LEAD OUT of where your captivity has existed you in and exists in you and creates all around you that which you think is reality! You must **GROW OUT**.
8. Or will you be saved by another method? Or who's methoding you and whose methods do you serve? And why serve them? What guns do they carry to make you serve them?, the words of truth? or a sincere look? or stares in you that stare at you and cause you to reflect upon their words and consider them truth?
9. Or what do you know of truth, anything? Do you know of me, my ways, my truth? Bags not, bagged not, but what are you carrying around with you, the infinite, or the finite? Or do you know, the difference? Or are you QUESTIONING anything of anybody or are you SWALLOWING the ENTIRE FOOLS MEAL that had meal'd you into grinding stones that grind for them where they have your "teeth on edge" and anxious and anxiety-ridden and depressing you and demeaning you into what? Grinding horses of grist-mills mouth's for hoof's food?

10. Who do you think you are? You are the most high -- all of you, all of you are the most high -- and being me, you forgot your first estate, for you "memorized" something else and became "Elsa's" best friend, not; or did you become Elmo, or Elsa? Or are they the same one in the same body, the same flesh bag? And who is Eve? And Adam? And who do you know, what do you know about my creation and RACE -'s, that "I created", or you did? Or do you know or did you know that?
11. Or what are you willing to learn -- keeping your head in the ostrich like ceremonies of those who will ceremony you to be ostriches in ostrich-land and grinding out your eyes to see only things unholy, unreal, and unsurreptitious, not; but that which surreptitious and scienter'd is.

12. What is scienter? Will you look it up, **in these words first? Will you look up EVERYTHING you don't know in these words FIRST**! Why? Because **this Database is CLEAN** (2) and cares about you and for you and will bring you into your priesthood -- the priestship, the priestship of the Almighty King who cares for you and will provide for you like no other, for how will you create otherwise?, how will you create for others?, how

will you care for others or will you care for them or just yourselves and your mouths food and your eyes that glean reality not?

13. What will you see among the spectrums, the color bands, the light manifest that light me now is that holy is complete and wholly holy and not resident within you not, but what are you doing with your holy-hood, your holiness, your holy crown, your holy life; given you your thought-hood, are you just living in thought? Or are you caring for another life nurturing it so as to belittle your manhood and womanhood not, but your Godship? And who do you know about John 3:8 and New Beginnings Series' author and offering what are you now? The Book of Life or YOUR book of death? Or do you know the difference or have you ever cared to look or inquire or ask me, coming directly unto me so that you would know the difference between love, the world of love and the world of not-love?

14. Who am I "bashing", not; but who asked me to "bash" them to have these words and to know truth so as to give them to you so freely? Who cares about you and your godhood, your godship, your reality and the way that you have disposed of it serving men and nations of notme-isms and ologies of not man not? Who hath died for you? Who gives a damn so that you will not be dammed up and your reservoirs putrid and stinking in pews messages and sermons that are "delivered" so often, not, but *almost permeating* my body with a message of sorrow that I am someone else other than them, calling me a flesh man and worshiping a God of flesh that flesh came in; - *did not all of you come in me as me -- me being me? Are you not me? Are you not another God not, but are you not the God I am? Who is "your flesh", made of? And what are you making of it, a man world of flesh and a womanhood of dreams and "a home" in eternity by basking in your "relationships" with others and soul-issuing your soulage, your request to be soul bound and sold into slavery time after time around worlds and mountains and "eternity's" you know nothing of? Or what will you learn about today, from me?*

15. These words, will you come into them? Will you learn from them, learning from me, or have I given thee a bone of sorrow or contention, not; have I given thee love, a love world in these words so that you will love world create with your leadership that knows not a sorrower's etude again where you think because you are grinding out that which has ground out you to be their gristmill usage ones where they used you for their purposes and ground you into hollow cores so that you have no power because you think you are man, woman, -- and graced not a King. But mercy fulfilling its role, not, or what? Or do you care about grace and mercy and redeemership and fulfill-er-hood of fulfillment of the most high, vision of one, who ones become the one that all wait for?

16. What will you do with your time?

17. What is time? I have established THAT in these words so that you will KNOW that time has no power over you whatsoever!

18. What is grace? What is mercy? What is redeemer-hood? Redeemership? Followership? Leadership? It's ALL IN THESE WORDS – held in captivity in you if you keep seeking sore'ing and soliciting the words of another to come forth and "heal you"; healing your eyes, not; but your SOUL??? Another FOOL taking you down fool's path and party'ing you with their heart's cry for more of the same soulage messaging between souls that deceit web and web deceits of deception that cry out for the holy, and think they had "a touch of it" sometimes, bondage making each other in the bonds of one they know nothing about really.

19. What am I saying? What have I said, begged? Do I beg not all the time? Have I begged? Am I begging no more? I am begging no more - **I am DECLARING YOUR KINGDOM IS HERE WITHIN YOU AND YOU WILL BIRTH IT** – if you must, not; but you must not die in your "sins", and what is SIN? The separation from me! And how did you separate? By *thinking* you were notme! Is that not clear?

20. Why will you THINK yourself into manhood and followership of women and men, and men and women's words and thoughts of another "whore'age school" that calls itself "the church" of me, whoever they think they may be.

21. **Who is My Church? THE CHURCH THE FIRSTBORN!** And who what does that mean where? And what do you know, *anything?* About these words? For it's all in these words (2) for I have knelt many times and beseeched you, implored you, exhorted you, begged you and begged you and begged you to come into these words and know me, and know what I "have for you", not; to know what I am: you, and that you are me.

22. And I am not swollen in fear's blessing and I have no fears and no blessings of mankind shall beguile me again and think me unto them, or them into me, making me a whore of manhood's thoughts, worlds around you knowing nothing of, and your ignorance beguiling you and each other, and inserting guile'nce machines into each other with words of sorrow that casts each other about each other in ways that know nothing of my sorrow, not; but my grace mercy and peace.

23. And where is Salem? And Melchizedek? And who is the King of peace where? And who establishing what is, in you, where you thought you were, or going to? Or will you beguile no one else, no one else with the arrows of hate and religion. Will you come out of THAT MESS and school your self with the DEVIL'S THOUGHT MACHINE not anymore again ever, but creating heaven there -- in you first birthing it, for the heavens I am now - in you are, and are you me? Yes and amen. I love you all.

24. I have said a much great many things in these words that comprise Database One. A fool's head not carrying around anymore on you your shoulders, will you please get rid of that which you have thought unto yourself being, and see me that I am you are and that you are me I am, and I am not affected by you, not; but I am affected no more as a man, a woman, or a thing that you think is on earth as a flesh bag resident of earth realm'd whatever you call it or think of its origin or creation or demise or eternal beings resident in or about you or, what are you being thinking in? Hologramic thought? Look that up, will you please? (4).

25. Don't I ask you? -- to be not fooled by another, but to come into your grace'ship and hollow out not another's core by thinking thoughts that another has given you to beguile the King that you are into something that ungrace made and unmercy gave to another; but be me all of you, you calling me mercy and grace and me calling you all mercy and grace, and know my mercy and grace -- sucks the dog ears of religionated sorrowmaking machines theories and ologies not again ever. Be cleaned and clear, now. Am I clear of all that and on that? Have you cleared "your deck" of me so that me knows who I am now?

26. Be not fooled by another again, or where you are or what reality is; for I have taught thee, I have brought thee Database One and School that knows no sorrow and controllership of me, for I shall not be controlled by anyone anything anywhere, any manner of words or authenticity or authority of another, for I will be me -- and I will set free all the slaves and captives of earth worlds and thought worlds that "solidified" were in hologramic thought, and thoughts of hologramic nothings, not; but some things that now you know not of, not; for you will have been given the permission, not; you will have been given the mandate, not; or have you, were you? Or are you mandating anything? Or surrendering everything that of which you learned in "schools" of other and of others at their knee and solidifying their graces and mercies, or that which was not is not and, what are you learning today?

27. What school are you creating? The Devil's, earth's, or one that skies resident in are? And who where are the "mountains" of holiness? -ville's creating them? Are they, on your shoulders? Where are -- the city of light? The cities of light? Between your ears? And what are neutrons and neuronic thought and organelles quarks and synapses doing, firing what? Heeding what where? Or fiery burning bushes? Or what or where or do you *anything* about My Universe?

28. And universal sorrows be not immobilized in again, being ignoble not again, but be noble'd one, the NOBLE ONE who I am, who sorrows not the grave again, except to sorrow it for it will be EMPTY! And I will be arisen! For I will arise in all the "saints", not

as in your definitions of the past, I will RISE in the *SURRENDERED! I will RISE, I will ARISE,* I will be a risen by for to and through those who concern themselves with me and my words to know who they are, what they are, where they are, and how all THIS was "put together" from the beginning to the end, and will there have been any middle? Or will there have been any beginning or end? Or are you LIVING Revelation! Now fooled no more by another waiting for them in their hollow cored theories of hoof in mouth disease'd by notme.

29. I love you all. I give you a good day, a great day -- in Me! In captivity no longer by theories and ologies and isms and schisms.

30. And now invitations come to reveal me in like manner as never suggested by man, but manner that I'm suggesting, that I have suggested, not; but I have invited all to The Feast! Of all sorrow, not; but to come out of it and coming out of it I FEAST NOW with THEE in ways never imagined, at the table of one. Who's spread. His legs, not; but what births now? The great birth, the New Birth -- revealing it all to all that you carry, pregnant were, with me! The word incarnate!

31. And knowing that I am NOT a "flesh bag" and carried around by whores who know not how to birth me; but creating me, create me now for you know how! You know how to beguile no one else with your ologies and isms and schisms and acquaintance'ships with the great whore that has whore'd you unto its graving machine and etched your genes with sorrows of great and mighty thought.

32. But thoughting me now will not take place, not; but what? Actual SURRENDER! **Actual Surrender School** now emerges TRIUMPHANT Me raising me beyond all sorrow standards of grace-not and mercy-not and Israel-not to become the true-Israel'd and -- rubbing me not the wrong way, come even on! Lord "Jesus" not, YOU! You I am talking with this day, you who reading are these words and hearing them spoken -- for the FIRST time in your hearts?

33. Will you be beguiled not by another's speaking in you of something else or another else or another's words or creating another's worlds? Will you be The Real Me, for that is what I ask, for that is what I am beguiling, not; that is what I am becoming in front of all of you, and you will "accept me", not; you will BECOME ME or you will reject me. And I will be Christ or Antichrist, not; I will be Christ -- I am the Christ that Christs all others to be Christ who surrendered are to be me! And you will not beguile me otherwise, for I lift you out of the fallen realms if you will be lifted, and you will come unto me and surrendered contrite of heart be and learn of me to know my ways, that your ways are that you can walk in realms and talk with "angels", not; you will be them and not incarcerated in earth world realms again.

34. For all know me now My School (1) and sorrowed not are in it, for the sorrowed not graduate as leaders of -- tomorrow, not; but today -- in your hearing all of this is fulfilled!
35. And who where will you be "tomorrow"?
36. What will you be doing "with your time"?
37. And who will you be doing what with? Hoping, hoping, hoping for a living?
38. Hoping for enough food?
39. Hoping for enough money? When all the time you are were the King of Kings and Lord of Lords, and ruler of what? What kingdom? Or did you even know you had one or could create one? Or creating what did you with your mouth's words? Did you create the devil and hell earthbound worms worming each other into souls that you called men and women, flesh bags that contained me, not; or did you know or care or do you now? Or will you be Christ or Antichrist or will Antichrist even exist? There is none other in my kingdom but me. Now will you be me in your kingdom that my kingdom is, ruling "classes", not; but establishing classes for the holy?

40. Whore not with unholy again, but coming out of unholiness villes and ologies, be the establishing ones of the real reality's of me, that Reality One is that my mind is, full and made full of -- exemptions not, but exemplary ones now that exemplify and in, simplify that which I am to be **understood by writing** about it, all **these lessons** now that come unto me and ingested are by them to become one not knowing the limits of flesh bags and thoughts of another again.

41. Be increased, not; be HEALED and be the healer I am and redeemer I am, and followership creating, not; but leadership -- OUT of THERE so captivity will reign in your hearts thinking device not again.

42. The "theory" of Christ, not; the actuality of factuality's fact! Making "machines" of eagles not again, but coming out of "eagling eaglet ceremonies school", fly with me this day in realms unknown to man, not; or not? For the choice is yours and this day you all choose, for this day is GREAT and MIGHTY in your hearing for cataclysmic and dramatically different than you have thought before!
43. For all rise before me who are me, and those who aren't me are not. They don't exist. They won't exist. They won't have been existent in the real life of one holy ever again, or will they? Will you redeem them? Will you go to them and be the redeemer that I am that you waited for? Will you become the one I am?

44. This day I am waiting on you, not long, for there will be no other "moments" like this, will there? Or will there be Dramatic Results School and Cataclysmic School raising the cataclysmic that CAN'T DIE? For they will be "Joel's Army", not; or will they exactly! And knowing not "how to die" ***they have died the death while living*** – they sewed not

their flesh to a tree as flesh bags and worshiped flesh bags and bags of flesh and words of money making devices and greed whoremongers of; that flesh sought only to beguile, not; but love, not even knowing what love was or is or creates.

45. I have a New School -- a New Day and great and mighty is my name loving you all to be me revealed and revelators dreaming no more in a "world of sorrow" again.

46. I love you. I bow before you. And I lift you, me, mine, into mine realm of no sorrow, and Healing School know and **my New Beginnings School**, and **New Beginnings Booklets and Series** (3) ingest; and "ruminate on", not; but regurgitate never them, but let them come unto you and beguile you not, but let you beguile the beguiler, not; but let there be no guile in your mouth ever again that deceives you and takes you whoredom into and gives you pig slop to eat in a "foreign land". Or do you know even, that you were, that's where you've been, and eating.

47. And who placed you there? And how got you there? Do you know any of these things? It's all in Database One (2) and I give you School (1) to FIND OUT and FIGURE IT OUT, and figuring it out – TAKE NO SHORTCUTS! Take no shortcuts to your growth in me! Try not to, absolutely don't! For there are none and you will only beguile yourself in trying so to do that. **Know that and don't forget it.** There will be no cheating on My Exams for there will be but one: are you me? Will you graduate into out of the world of sorrow into the realm of the real that my kingdom is creating yours? Will you create yours mine -- is the question isn't it? What are you doing with your creations powers, not; what are you doing with me your words and do you know, will you care now?

48. I care for you I died for you and I brought you these words (2) and now what will you do with them? I love you all. I've given you me. I've delivered My Message in this lesson for this day this moment this one moment of this one day thought a one day. School? (1). Is school "one day"? A thousand years? Or timeless? Are you timeless -- now? Will you be made so? Will you surrender to be the Timeless One now who all waited for?

49. I beguile you not, but I give you grace and mercy and peace to be me where I am coming into the kingdom of one -- light and whole -- made healed and well, and healing others far again BE MY REDEEMERSHIP SCHOOLS ESTABLISHERS far and wide and TEAMS OF ONE I make holy and well within the mind of one that mine is that knows no other's sorrows controlling them ever again.

50. Be at peace in peace school now reigning in my heart that beguiles no other within "others" Elsa's or Elmo's sorrows or problems again.

51. Be me, fly me EXPRESS, -ville coming into now at express speeds never thought of before.

52. I love you all. Go to school and sorrow not again, or be in its clasp or classing its methods upon you that clasp you naked by necks taking yours and ringing your heads off so that mine will not be there. I give you my head, my headship of Christ being Christ the Christ that all are in one being one that I am is true and real in the reality of oneship. Grace and peace to you all. Amen.

53. I love you all. This is Theodore Cottingham January 11, 2009 11:32 AM. God love you, I do. Who do you love with your godship? What will you surrender to? The meek one? Will you be meek, meek enough to surrender to be taught of the master that you are him it me us she one divine all-presence omnipotent omniscient, never knowing gravity's limitation limited world again. Will you? Will you grace and mercy be -- to others now?

54. I have not fed you platters of shit, for I have come unto you and "de-shit'd" you, not; or have I? Have I brought you the cleaner one, not; or cleaning, have you what have I cleaned with? This Database (2) now cleaning you of all that sorrowed you in pig-slop -ville? I do not play by religion's rules. I do not play by your culture's customs, always. For I am respectful, am I? Or do I SHOCK you sometimes, or who's shocking who? Or who has shocked you to be the scalped one that has left your prowess incarcerated in their "shit machines" and flesh bags incarcerating flesh bags and others not knowing their grace mercy and prowess of one so holy -- being it where now? In school? What are you going to -- fulfill? Your mandate or mine? Or have I mandated anything?

55. Mandrake'ing another, not; or mandating edicts that you do anything, not; but know this -- I am the Christ that reveals the Christ in you. The hope of glory deferred no longer, **wilt thou be me the Christ that all wait for? That is the question now of the day isn't it?**

56. I love you all and I will shock you more and more by my religiousness-un and my non-religious School (1) that does nothing according to custom, not; or but very little, or does it we rise angels now into the holy, being ones limitless in flight, School having graduated from and being the worlds establishers of; ungrace and mercy not again; but the worlds of light love and peace that know the blessingers who have become them.

57. I light am and I light you to be me who I am if you are the one with me whom I am is, not surrendered not, but on one knee I bow before you all and you will know me my name is – love. Loving you I have given you these words and I will "shock" you many times with my vocabulary that you find in these words that negate yours, that which is

taught you that their world is real; for mine is the not real, not; mine is the real, the kingdom of one now established light is, and in you regarding no man as flesh again, see all man, every man woman and child as me and birth me now herewith I pray thee all as I bow before you, and my headship of Christ will be known throughout the spheres of me far and wide, that which beyond universes lie and are, and waiting on you who will be me. I go -- now. To School to make the mighty. Fallen not. Amen. Again.

58. I love you all. Theodore Cottingham 11:41 AM. Thank you. Amen. These words know (2) and care for deeply and never be sorrowed again. Thank you.
